SEC. 14. Any medical director, medical inspector, past assistant surgeon or assistant surgeon of the United States navy, honorably discharged, or temporarily detached or placed upon the retired list without being discharged from the medical department of the United States army, or who by resignation has honorably severed all connection with the service and any surgeon of the United States army, honorably discharged, or temporarily detached or placed upon the retired list without being discharged from the medical department of the United States army, or who by resignation has honorably severed all connection with the service, is hereby authorized to practice medicine and surgery within the State of California, by filing a sworn copy of his commission, if he be discharged, or of the order temporarily detaching him or the order placing him upon the retired list, with the state board of medical examiners or by proving to the satisfaction of the board that by resignation he has honorably left the service of either the army or navy, and paying said board a fee of fifty dollars ($50); provided, however, that this provision shall not apply to any contract surgeon in the United States army or navy, and shall not apply to the medical reserve corps of either said army or navy.

SEC. 15. Said board must also issue a "Physician and Surgeon" certificate to any applicant, without any examination, authorizing the holder thereof to practice medicine and surgery in the State of California, upon payment of a reciprocity fee of fifty dollars ($50.00), upon the following terms and conditions, and upon satisfactory proof thereof, viz:

The applicant shall produce a certificate entitling him to practice medicine and surgery, as provided for in said "Physician and Surgeon" certificate, issued either by the medical examining board, or by any other board or officer authorized by the law to issue a certificate entitling such applicant to practice medicine and surgery, either in the District of Columbia, or in any state or territory of the United States; or if such certificate shall have been lost, then a copy thereof, with proof satisfactory to the board of medical examiners of the State of California that the copy is a correct copy. Said certificate must not have been issued to such applicant prior to the first day of August, 1901, and the requirements from the medical college from which such applicant may have graduated, and the requirements of the board which was legally authorized to issue such certificate permitting such applicant to practice medicine and surgery shall not have been, at the time such certificate was issued, in any degree or particular less than those which were required for the issuance of a certificate to practice medicine and surgery in the State of California at the date of the issuance of such certificate, or which may hereafter be required by the law which may be in force at the time of the issuance of any such certificate; and provided, further, that said applicant shall also furnish from the board which issued said certificate, evidence satisfactory to the board of medical examiners of the State of California, showing what the requirements were of the college, or board, issuing said certificate, at the date of such issuance.

If, after an examination of such certificate, and the production on the part of the applicant of such further reasonable evidence of the said requirements as may be deemed necessary by the board of medical examiners of the State of California, and any other or further examination or investigation, which said board may see fit to make, on its own part, it shall be found that the requirements of the board issuing such certificate were, when said certificate was issued, in any degree or particular less than the requirements provided by the laws of the State of California, at the

date of the issuance of such certificate, he will not be entitled to practice within the State of California without an examination.

This section shall not authorize the admission to practice, without examination, of any holder of any certificate, unless the existing power of the state or territory granting the certificate grants the same privilege to persons holding certificates to practice within the State of California, upon the same conditions.

Any person may file an application with the said board to practice medicine and surgery within the State of California, in the event that such applicant has been duly licensed prior to August 1, 1901, and has practiced medicine and surgery in another state or territory, or the District of Columbia, for a period of time commencing prior to the first day of August, 1901.

Such application shall be verified and shall contain a statement showing: (*a*) the full name of the applicant; (*b*) all institutions at which he has studied and the period of such study, and all institutions from which he has graduated; (*c*) a statement of whatever certificate or certificates to practice medicine and surgery may have been issued to him, together with the date of such certificate and a description of the same, and, if required by the board, the certificates themselves, or satisfactory proof of their issuance; (*d*) a statement of all places in which said applicant has practiced medicine and surgery; (*e*) such other general information as to his past practice, as may be required by the said board.

The said board shall make such independent investigations of the character, ability and standing of the applicant as it may deem proper and necessary, and if it shall find after such investigation that said applicant has been a practicing physician and surgeon in any other state or territory or the District of Columbia, prior to August 1, 1901, and prior to said last named date has been duly licensed so to practice, and that his reputation as such physician and surgeon is good in the community in which he has so practiced medicine and surgery, they shall afford him an examination on a day suiting the convenience of the board not more than six (6) months subsequent to the presentation of said application.

Said examination shall be oral, practical, and clinical in nature, and full consideration shall be given to the duration and character of the applicant's practice.

If after such last mentioned examination it is determined by a majority vote of the said medical examiners conducting said examination, that such applicant is so qualified to practice medicine and surgery within the State of California, and that his reputation and standing in the community in which he has previously practiced is good, the said applicant shall be entitled to receive a "Physician and Surgeon" certificate.

Each applicant on making such application shall pay to the secretary of the board, a fee of fifty dollars ($50), which shall be paid to the treasurer of the board, of which sum forty dollars ($40.00) shall be returned to him should he not receive a certificate hereunder. All certificates issued pursuant to this section shall be marked across the face thereof "Reciprocity Certificate."

SEC. 16. Said board must refuse a certificate to any applicant guilty of unprofessional conduct. On the filing with the secretary of a sworn complaint, charging the applicant with having been guilty of unprofessional conduct, the secretary must forthwith issue a citation, under the seal of the board, and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant when and where the charges of said unprofessional conduct will be heard, and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation, or that default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing may be compelled by subpœnas issued by the secretary of the board under its seal. Said citation and said subpœnas shall be served in accordance with the statutes of this state then in force as to the service of citations and subpœnas generally, and all the provisions of the statutes of this state then in force relating to subpœnas and to citations are hereby made applicable to the subpœnas and citations provided for herein. Upon the secretary's certifying to the fact of refusal of any person to obey a subpœna or citation to the superior court of the county in which the service was had, said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempts for disobedience of process of the court, and should said court find that the subpœna or citation has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this Act, depositions of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this state then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this Act. If the applicant shall fail to file with the secretary of said board his answer, under oath, within twenty days after service on him of said citation, or within such further time as the board may allow, and the charges on their face shall be deemed sufficient by the board, default shall be entered against him, and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, and to that end shall hear such proper evidence as may

be addressed before it, and if it appears to the satisfaction of the board that the applicant is entitled thereto, the certificate shall be granted to him. The certificate shall be issued to the person by examination, unless such applicant has been guilty of such conduct within two years next preceding his application.

Whenever any holder of a certificate herein provided for in such professional business, he may make it subject to this Act, and the said professional conduct has been brought to the attention of the board, proving such conviction, or the record before the court, or whenever a certificate has been procured by fraud or misrepresentation or issued by mistake, or the person holding such certificate is found to be practicing contrary to the provisions thereof, or of this Act, or guilty of the duty of said board either to suspend the right of the holder of said certificate to practice for a period not exceeding one year, or to revoke the certificate. In the event of such suspension, the holder of such certificate shall not be entitled to practice thereunder during the term of suspension; but upon the expiration of the term of said suspension, he shall be reinstated by the board and shall be entitled to exercise his privileges, unless it shall be established to the satisfaction of the board that said person has misconducted himself during the term of such suspension, practiced in the State of California in which event the board shall revoke the certificate of such person. No such suspension or revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificate. Such surrender in all cases of suspension or revocation shall occur on the expiration day of such suspension or revocation as the case may be, and shall satisfy the fact of such suspension or revocation under the seal of the board, to the county clerk of the county in which the certificate of the person whose privilege has been revoked is recorded; and said clerk upon thereafter being upon the request to cause the fact of his deposit of the certificate of such person, the following: "The holder of this certificate was on the ..... day of ....., suspended for ..... or this certificate was revoked on the ..... day of ....." as the case may be, giving the day, month and year of such revocation or suspension, as the case may be, to be in accordance with said certificate of his by said applicant. The record of such suspension or revocation so made in said record shall be prima facie evidence of the fact stated and of the regularity of all the proceedings of said board in the matter of said suspension of revocation.

EXPLANATION OF VOTE.

MR. PRESIDENT: The proposed law is for the good business purpose of stopping an evil, seems to have continued for over such a unreasonable space, and I propose to put an end to both. I can see no objection to good, clean boxing shows of the semi-finals go to the extreme of prize fighting, and this bill recognizes this by permitting boxing contests of four rounds under proper restrictions, provided no admission is charged. To prohibit the admission charge to clean boxing as this bill provides for would practically stop legitimate boxing as a healthful institution, as well as the evils of the extreme of prize fighting. If it is useful to permit clean boxing as this bill provides for, it should be lawful to charge admission.

EDWIN E. GRANT.

SECTION 1. Whenever the public interest or convenience may require, the legislative body of any city is hereby empowered to establish or change or modify the grade of any public street, lane, alley, court, place, or right of way in said city, or any

portion thereof, and in any case where in the opinion of said legislative body any damage to private property would result from the improvement thereof as under the whole, or any part, either in length or width, of such public street, place, or right of way to be improved to conform to such official grade by grading or regrading, paving or repaving, planting or replanting, constructing or reconstructing or recoiling, sewering or resewering, sidewalking or residewalking, curbing or recurbing, guttering or regguttering, or by the building of retaining walls, viaducts or bridges, bridge work of roads or of other structures, to protect the same from overflow or injury, or by the construction of connections, culverts, tunnels, tunnels, conduits, subways, drainage ditches, parking of such ways, and the construction of reconstructions to open or through property of public or said owned by such city or to open, widen, lengthen, extend, straighten, straighten, subways and channels for sewerage and drainage purposes or either, or both opened, with necessary curbs, sidewalks, approaches, and bridges, bridge work, culverts, connecting or open ditches, drains, conduits, sewers and other appurtenances and breakwaters, levees, bulkheads and walls of such, or other necessary to protect the streets, bays, wharfs, docks, piers, public ways, and other property in any such city from overflow or injury by water, or otherwise, or to the doing of any other work which shall be necessary to improve the whole or any portion of such streets, lanes, alleys, courts, places, or rights of way or such city.

Sec. 2. Before entering any contemplated change or modification of grade or any improvement proposed to be made, the council shall pass what shall be known as an ordinance or resolution, declaring its intention to do said thing or improvement. Damage to private property would result from such improvement, describing the proposed grade, describing the proposed improvement, being a time and place for the hearing of protests in relation thereto and appointing a time which shall be not less than ten days from the date of the passage of said ordinance or resolution of intention, and specifying the general boundaries of the district of land to be benefited by said improvement, and to be specially assessed to pay the costs and expenses thereof, and the district owned by said improvement, which shall be known as the assessment district. Said ordinance or resolution may include two improvements, under one ordinance or resolution of intention and order and contract. The whole or any portion of one or more streets, lanes, alleys, courts, places, or rights of way, and the contemplated change or modification of grade of all or any of the streets, lanes, alleys, courts, places, or rights of way, and the contemplated improvement thereof, and

If any lots or parcels of land in the assessment district be assessed to "unknown owners" on the tax rolls of said city, no such postal cards need be mailed to the owners thereof.

The city clerk shall immediately upon the completion of the mailing of said cards file in the office of the superintendent of streets an affidavit setting forth the time and manner of his compliance with this requirement: *provided*, that the failure of the city clerk to address said cards or any of them to the true owners of said property, or to mail said cards, or the failure of the property owners to receive the same, shall in no wise affect the validity of the proceedings or prevent the legislative body from acquiring jurisdiction to order the work: *provided, however*, that the legislative body shall not pass any ordinance or resolution ordering the work until such affidavit is made and filed as herein prescribed.

SEC. 4. At or before the time fixed for the hearing, any person interested, objecting to the proposed improvement or to the extent of the assessment district described in the ordinance or resolution of intention, may file a written protest with the clerk of said legislative body. Every protest must contain a description of the property in which each signer thereof is interested and set forth the nature of his interest therein and must be accompanied by the affidavit of one of the signers thereof that each signature thereto is the genuine signature of the person whose name is thereto subscribed, and in case any signature is made by an agent, there must be attached to the protest the affidavit of the agent that he is duly authorized to sign such protest. Any protest not complying with the foregoing requirements shall not be considered by said legislative body. The clerk shall endorse on every such protest the date of its reception by him, and at the time fixed for the hearing, or at any other time to which the hearing may be adjourned, he shall present to said legislative body all protests so filed with him. Before the hearing of any protest there shall be filed with such legislative body affidavits showing that the said notices have been posted and published as hereinbefore required, and the said legislative body shall thereupon cause to be entered in its minutes an order reciting that notice of said hearing has been posted and published as required by law, and such order shall be prima facie evidence of the truth of the facts therein recited.

The legislative body shall hear said protests at said meeting, or at any time to which the hearing thereof may be continued, and pass upon the same, and its decision shall be final and conclusive. If such protests are sustained, no further proceedings shall be had under said ordinance or resolution of intention, but a new ordinance or resolution of intention for the same improvement may be passed at any time. If such protests are denied, the proceedings shall continue as if such protests had not been made.

SEC. 5. If no protests are filed at or before the time fixed for the hearing thereof by the ordinance or resolution of intention, or if protests are filed, and after hearing are denied, as above provided, the legislative body shall have jurisdiction to order the establishment, change or modification of grade and the improvement described in the ordinance or resolution of intention. Having acquired such jurisdiction, it shall by ordinance or resolution order establishment, change or modification of grade and such improvement to be made, and refer the same to the commission hereinafter provided for, to estimate the damages caused thereby, and report an assessment of said damages, and of all costs and expenses of the improvement, on the property benefited thereby.

SEC. 6. In any city having a board of public works created by its charter or by law, such board, and in other cities the mayor, city engineer or surveyor and superintendent of streets, or if all of such officers last mentioned do not exist in cities having no board of public works, any three competent and disinterested persons appointed by said legislative body, shall act as a commission to estimate the damages caused by said proposed improvement and to assess the same, and all costs and expenses of said proposed improvement upon the property benefited thereby. Such commissioners, if they are appointed by said legislative body as aforesaid, shall be sworn to make the assessment of benefits and damages faithfully, impartially and to the best of their ability. Said commission shall have power to subpoena witnesses to appear before it to be examined under oath, which any of said commissioners may administer.

SEC. 7. Upon the passage of the final ordinance or resolution referred to in section five hereof, said commission shall appoint a time and place for the hearing of petitions for damages caused by said improvement, and shall cause notice of such time and place to be published for at least ten days in a daily newspaper or three times in a weekly newspaper, published in said city, or if no such newspaper is so published and circulated then by posting for two days in three public places in said city. Upon such petition being filed as herein provided and after hearing the petitioners with their agents, and after viewing the location of the proposed improvement and the property affected thereby, said commission shall proceed to determine the amount of damages if any, which will be sustained by each such petitioner because of the proposed improvement. No damages or compensation whatsoever shall be claimed or assessed to any person of any property affected by said improvement unless a petition therefor be filed as provided in this section, and such adequate relief who fails to file a petition for damages as hereinbefore provided, shall be deemed to have waived any and all claims for damages caused by said improvement.

SEC. 9. Before the execution of any contract by the commission body for doing any work authorized by this Act, said commission body shall cause notice, with specifications to be posted conspicuously for ten days in or near the proposed work of said legislative body, stating where proposals or bids for doing the work desired, and shall also cause notice to be given by publication once a week for two weeks in the specifications posted as aforesaid, to be published for four days in a daily or weekly newspaper published and circulated in said city designated by said legislative body for that purpose, and in case there be no newspaper published in said city, then it shall only be posted as hereinbefore provided. Every bid shall be delivered to the clerk of the legislative body and shall be accompanied by a check certified by a responsible bank guaranteeing to pay ten per cent of the amount of the bid payable to the order of the said clerk, in case a bond for the said proposal and as provided thereof by the bidder and by two sureties, who shall qualify before some officer competent to administer an oath, in double the said amount, and such said person all conditions, covenants and said amount shall be forfeited to the city in case the bidder accepting the same does not within ten days after written notice that the contract has been awarded to him, enter into a contract with the city to do the work, give the bond hereinafter required. Said bids shall be opened by the legislative body or some person or persons designated and act by them in conjunction with the commission body in public session and publicly announced by said board or said designated person. The legislative body may let the contract to the lowest responsible bidder, who shall give bond for the faithful performance of the work in such sum as may be required by it, with sureties satisfactory to said legislative body, providing, however, that the legislative body may reject any and all bids, should it deem this for the public good, and may also for any cause satisfactory to it, withhold the contract from the lowest bidder who has been delinquent or unfaithful in the performance of any former contract with the city, or of any other contract let by or under the authority thereof. The contract must provide that the work shall be done under the supervision of the commission body or some officer or employee designated by it, and that the decision of such commission body or officer or employee upon all questions in relation to said work shall be final and conclusive upon the parties to the contract. Each bid must be accompanied by a certified check or money order payable to the order of the city, or of the legislative body, for a sum not less than five per cent of the amount of the bid, and no bid shall be considered unless accompanied by such check or money order. Upon the filing of such bond and check or money order the clerk of the commission body shall give not less than five days' notice by publication in two issues of a daily or weekly newspaper published and circulated in the city, or as provided for publication of notices in the city, or in case no such newspaper is published and circulated therein, then in at least three public places in the city, of the time when the bids will be opened, which notice shall state briefly the work to be done, and shall refer to the plans and specifications on file. The commission body may reject any and all bids, and may require new bids to be made upon the same or different plans and specifications, and may postpone the awarding of the contract for not more than sixty days from the first opening of bids. Said contract shall require the contractor to furnish a bond in such amount as the commission body may require, not exceeding the contract price, conditioned for the faithful performance of the contract. The commission body may require a bond from any bidder before awarding the contract to him, if it has reason to believe that the bidder is not responsible, and may require a bond from the successful bidder in such amount as it may deem necessary, not exceeding the contract price, conditioned for the faithful performance of the contract. The commission body may require a bond from any bidder before awarding the contract to him, if it has reason to believe that the bidder is not responsible, and may require a bond from the successful bidder in such amount as it may deem necessary, not exceeding the contract price, conditioned for the faithful performance of the contract.

Any materialman, person, company or corporation furnishing materials to be used in the performance of said work specified in said contract, or who performed work or labor upon the said improvement, whose claim has not been paid by the said contractor to whom the said contract was awarded may, within thirty days from the time said improvement is finally accepted, file with the superintendent of streets a verified statement of his or its claim, together with a statement that the same, or some part thereof, has not been paid. At any time within twenty days after the filing of such claim, the person, company or corporation filing the same, or their assigns, may commence an action on said bond for the recovery of the amount due on said claim, together with the costs incurred in said action and a reasonable attorney fee, to be fixed by the court, for the prosecution thereof. Upon the signing of the contract for the doing of the work, the clerk of the legislative body, if there be no board of public works in said city, shall certify to such commission the amount of the contract price.

SEC. 10. The commission shall, as soon as practicable, after determining what damages will be caused by said improvement, and, after the signing of the contract for the work, assess the total amount of all the incidental expenses of such improvement, which shall include the necessary expenses and disbursements of the commission, the cost of making the assessment, and all expenses necessarily incurred by the city in connection with the proposed improvement for maps, diagrams, plans, surveys and other matters incident thereto, upon the respective lots or parcels of land in the assessment district described in the ordinance or resolution of intention, in proportion to the benefits to be received by such lots or parcels of land, respectively, from the said improvement, and shall make and file with the clerk of the legislative body a report in writing containing the following:

Said assessment shall refer to such lots or parcels of land upon said diagram by the red ink numbers thereof, and need contain no other description thereof, and shall show the names of the owners, if known, otherwise designating them as unknown; but no mistake in the name of the owner of any lot or parcel of land shall affect the validity of the assessment thereon.

In case the commissioners do not all agree, a majority of the whole number may make such report.

SEC. 11. Upon the filing of the report provided for in section ten hereof, the clerk of the legislative body shall present such report to the legislative body, which shall fix a day for the hearing thereof by said legislative body, which day shall not be less than twenty days from the date of filing such report, and shall cause a notice of such hearing to be published by the clerk thereof, by three insertions in a daily newspaper published and circulated in said city, or if there be no daily newspaper in said city, then by two successive insertions in a weekly newspaper so published and circulated; or if no newspaper is so published and circulated, then by posting for two days in three public places in said city. When redemption is made the superintendent of streets shall note that fact and the date thereof on the duplicate certificate of sale on file in his office, and deposit the amount paid with the city treasurer, who shall credit the purchaser named in the certificate of sale with the said amount and pay the same to such purchaser, or to his assigns, upon the surrender of the certificate of sale and upon satisfactory proof of assignment thereof, if any. When the city is the purchaser, the superintendent of streets shall notify the clerk of the legislative body of the redemption, and such clerk shall thereupon cancel the certificate of sale thereof on file in his office.

SEC. 17. At any time after the expiration of twelve months from the date of sale the superintendent of streets must execute to the purchaser, or his assignee on his application, if such purchaser or assignee has complied with the provisions of this section, a deed of the property sold, in which shall be recited substantially the matters contained in the certificate, also any assignment thereof, and the fact that no person has redeemed the property. The superintendent of streets shall receive from the applicant for a deed, one dollar for making such deed, unless the city is the purchaser, in which case no charge shall be made therefor. The purchaser or his assignee, must at least thirty days before he applies for a deed, serve upon the owner of the property, and upon the occupant of such property, if the same is occupied, a written notice, setting forth a description of the property, that said property has been sold for a delinquent assessment (specifying the improvement for which the same was made), the amount for which it was sold, the amount necessary to redeem at the time of giving notice, and the time when such purchaser or assignee will apply to the superintendent of streets for a deed. If the said owner cannot be found, after due diligence, said notice must be posted in a conspicuous place upon said property at least thirty days before the time stated therein, at which the application for a deed will be made. The person applying for a deed must file with the superintendent of streets an affidavit or affidavits, showing that notice of such application has been given, as herein required, and if the notice was not served on the owner of the property personally, that due diligence was used to find said owner; which affidavit or affidavits must be filed by the superintendent of streets in his office. If redemption of the property is made after such affidavits are filed, and more than eleven months from the date of sale, the person making such redemption must pay, in addition to the other amounts required, three dollars for the service of notice and the making of such affidavits, which amount shall be paid over to the purchaser, or his assignee, in the same manner as other sums paid for redemption. No deeds for any property sold for delinquent assessment shall be made until the purchaser, or his assignee, has complied with all the provisions of this section, and filed the proper affidavits with the superintendent of streets. Such deed shall be prima facie evidence of the truth of all matters recited therein, and of the regularity of all proceedings prior to the execution thereof, and of title in the grantee.

SEC. 18. The funds collected by the superintendent of streets under the proceedings herein provided for, either upon voluntary payment or as the result of sales, shall be paid by said superintendent of streets as fast as collected to the treasurer of said city, who shall place the same in a special fund designated by the number or name of the proceedings, and payment shall be made out of said special fund only for the purposes provided for in this Act. To expedite the making of any such improvement the legislative body may at any time transfer into said special fund out of any money in the general fund such sums as it may deem necessary, and the sums so transferred shall be deemed a loan to such special fund, and shall be repaid out of the proceeds of the assessments provided for in this Act; *provided, however*, that the legislative body of any municipality may, in its discretion, order by resolution entered upon its minutes that the whole, or any part, of the costs and expenses of any of the work mentioned in this Act shall be paid out of the treasury of the municipality from such fund as the legislative body may designate, and whenever a part of such cost and expenses is so ordered to be paid the commission in making up the assessment heretofore provided for such cost and expenses shall first deduct from the whole cost and expenses such part thereof as has been so ordered to be paid out of the municipal treasury, and shall assess the remainder of said costs and expenses proportionately upon the lots, part of lots and lands within the district to be assessed for such work, and in the manner heretofore provided.

SEC. 19. Whenever any lot, piece or parcel of land belonging to the United States or to the State of California, or to any county, city, public agent, mandatory of the government, school board, public educational, penal, or reform institution, or

institution for the feeble-minded or the insane and being so use in the performance of any public functions is intended within the purpose mentioned in the legislative body in the exercise of discretion to be the charges to be assessed to pay the costs and expenses of the improvement, the legislative body may in the discretion in the exercise of discretion declare that such real estate or parcels of land so owned and in use, or any of them, shall be exempt from the assessments as to apply to cover the costs and expenses of said work or improvement. In the event that said real estate or parcels of land, or any of them, shall be said exemptions be exempted from the assessment, then the total expense of all such improvements shall be assessed on the remaining lots lying within the limits of the assessment district adjacent thereto in such manner as provided for assessments of benefits against such lots, parcels or parcels of land, but such real estate so exempt as aforesaid may be assessed against such lots, parcels or parcels of land as owned and used shall be payable by the city out of the general fund, unless the legislative body shall in its discretion, if possible, distribute another fund, and the contractor for said work or improvement therefore shall contract in connection to that effect. After all notice provided for in section fourteen of this Act have been given, the city attorney or other officer of the city shall report to the city council the amount estimated.

Sec. 20. When authority therefor in the hands of the city treasurer, or the special fund thereof to the proposed improvements to pay the total amount of assessment damages, the costs of the proceedings and the cost of doing the work, or shall be the duty of the superintendent of streets to notify the contractor for the work of that fact, and to draw demands on said special fund for the proportionate amounts of damages awarded by the council and he notify the owners of such parcels of land assessed by the report to be delivered, in the name of such owner to contend to the report, that the awards of damages are payable, and that he may receive the same upon application to him on executing a release to the city of all claims for damages caused by said improvement. Such notification may be given by depositing a written notice addressed in the post office addressed to such person at his last known place of residence.

Sec. 21. If any owner of property that will be damaged by the proposed improvement shall fail or refuse to accept the amount awarded to him by the report provided for in section ten hereof, the legislative body may cause proceedings to be brought against him in the name of the city in the proper court, to have the amount of damage to such property determined. Such proceedings shall conform as nearly as may be to the provisions of the Code of Iowa [Procedure regarding eminent domain] provided, however, that the plaintiff shall not be required to pay the amount of damages awarded within thirty days after judgment. In such proceedings the ordinance creating the improvement shall be conclusive evidence of the necessity of the same. If no such proceedings be brought, nothing in the owner of property that is damaged by the proposed improvement shall prevent him from the amount awarded him, if any, and being an action against the city to recover the amount to which he claims to be entitled. Any such action must be brought within thirty days after the final completion of the improvement. If he finally wins, he fails to recover more than the amount awarded to him by the report thereof he shall not pay the costs.

Sec. 22. If the first assessment for any improvement fails to raise a sufficient amount of money to pay all costs, damages and expenses of the improvement, including any judgments rendered in the action and proceedings mentioned in section twenty-one and the costs and expenses of such action and proceedings, the legislative body may pay the deficiency out of the general fund, or may order a supplemental assessment to raise such deficit, which shall be made and collected by the same officers, as nearly as may be, as the first assessment, and no lot shall be assessed more than it will have been raised to pay for such improvement.

Sec. 23. The legislative body of any municipal corporation of this state may, in its discretion, determine that special bonds may issue in anticipation of assessments for the costs and expenses of improvements under this Act. Such determination, together with the term of such bonds, which shall not exceed twenty years from the second day of January next succeeding the date of such bonds, shall be declared in the ordinance or resolution of necessity to be said work.

Sec. 25. Such election shall be made by such owner or his agent thereunto duly authorized in writing, by filing with the superintendent of streets an affidavit made before a competent officer that he or his principal, as the case may be, is the owner of the lot or parcel of land in question, and that there is no other bond outstanding against said lot or parcel of land representing any special assessment.

which affidavit must be accompanied by a certificate of a searcher of records that he or his principal is such owner, and that there is no other bond outstanding against said lot or parcel of land representing any special assessment, and also by filing with such officer a written agreement upon the form hereinafter provided, waiving all objections of whatsoever kind or nature against the assessment and all proceedings thereto and undertaking to pay the amount of such assessment in such number of equal annual installments as shall be provided in the ordinance or resolution of intention, each of which installments shall be due on the second day of January next following the date of such bond, with such rate of interest per annum as shall be designated in the ordinance or resolution of intention and which shall be payable semi-annually on the second day of January and July thereafter. Said agreement shall contain a provision to the effect that in case of default in the payment of any installment of the principal provided for therein, or interest accrued on deferred payments, at the time called for by said agreement, then, and in that event, the entire remaining unpaid installments shall become immediately due and payable, and that the same, and all liens and agreements which are security therefor, may be collected and enforced as in this Act provided. This bond is issued to represent an assessment for _____ in the city of _____, as the same is more fully described in the assessment therefor. Its amount is the amount assessed in said assessment against the lot numbered _____ therein and in the diagram attached thereto, and which now remains unpaid; but until paid, with accrued interest, is a first lien upon the property affected thereby, as the same is described herein, and in said recorded assessment with its diagram, to wit: the lot or parcel of land in the city of _____, county of _____, State of California, described as follows:

and it is issued in accordance with the written request therefor on file in the office of _____ the _____ of said city.

This bond is payable exclusively from said fund, and neither the city of _____, nor any officer thereof is to be holden otherwise for its principal or interest. The term of this bond is _____ years from January second, 19____, and at the expiration of said time the whole sum then unpaid shall be due and payable; but on the second day of January of each year, after the date hereof,

or to be derived from said improvement, notwithstanding that the proceedings of the city council or other officers or agents of the city, or other persons connected therewith may have been irregular, illegal or defective, or not in full conformity with the requirements of this Act. Such reassessment shall be made without a repetition of the proceedings had prior to the issuance of the assessment and shall be made and issued in the following manner: The superintendent of streets shall, upon the entering of a decree of court directing the reassessment, or upon the passage of a resolution of the city council directing a reassessment, proceed at once to make a reassessment in accordance with the said decree of court or said resolution of the city council thereof. Such reassessment shall be made upon the district described in the ordinance of intention for said improvement, and in the event that there shall have been informalities, uncertainties or ambiguities in the description of the limits of said district, then upon the district which the court or council shall find to be that actually benefited by said improvement, but in so finding said court or council shall follow the lines described in the ordinance of intention so far as the same can be ascertained, and in all cases of uncertainty or ambiguity they shall give regard to the lines described and make such a determination as to the lines where there is any uncertainty or ambiguity in the ordinance of intention as may be just and equitable. In the event that a portion of the improvement has been found to be entirely without the power of said city to order, then said assessment shall be for the remainder of the improvement only, and the benefits arising from the improvement entirely without the jurisdiction of the city to order shall not be considered in making the reassessment. Upon the completion of the reassessment it shall be presented to the city council and a day of hearing shall be fixed by it which shall be at least twenty days after the filing of the reassessment. The city clerk shall then advertise the fact of filing by publishing a notice in the official newspaper, or in such other paper as the council may direct, by five insertions, if the paper be a daily, or by two insertions, if it be a weekly or semi-weekly newspaper, stating the fact that the reassessment has been filed with him and that objections to said reassessment will be heard at the time specified by the city council. At the time fixed for said hearing, or at such time or times to which the same may be adjourned, the city council shall consider the objections to said reassessment and in its discretion revise, correct and modify such reassessment in such manner as is most equitable, and it shall thereupon pass a resolution approving and confirming such reassessment and such decision shall be a final determination of all matters relating to the actual benefits derived or to be derived from the improvement by the respective lots, pieces and parcels of land enumerated in the reassessment. Said reassessment shall thereupon be recorded by the street superintendent and it shall in all respects have the same effect and weight as the original assessment, and shall be enforced in the same manner. All payments made upon the original assessment shall be credited upon the reassessment and in the event that the reassessment in any instance is less than the amount of the original assessment, the excess shall be payable to the persons who paid the original assessments.

SEC. 27. The city treasurer shall enter in a book kept for that purpose in his office, a record of each bond issued hereunder, specifying the date of its issue, the amount for which issued, to whom delivered, its duration and a description of the lot against which issued. Payments of principal and interest on account of any bond issued hereunder shall be made to the city treasurer, who shall keep a separate account of all such payments, (entering the same in the record herein required to be kept) and place the same in appropriate funds for the payment of principal and interest of the bonds on account of which paid, and who shall, upon the surrender of the coupons attached to said bond, pay to the holder thereof, or his order, the amount called for by said coupons out of the funds in his possession applicable thereto.

SEC. 28. The improvement bonds issued hereunder shall take the place of and have the same force, validity and effect as assessment liens that the assessments would have had if no bonds had been issued, and the lien of said bonds shall not be held or construed to be merely contractual. Said bonds shall by their issuance be conclusive evidence of the regularity and validity of all proceedings leading up thereto. The amount due upon any such bond shall be a lien upon the lot described in such bond superior to all other liens, charges and incumbrances, except the liens of prior assessment and of municipal, state and county taxes.

SEC. 29. Improvement bonds or any number of such bonds, issued hereunder, except as otherwise provided in this Act, shall be sold to the highest cash bidder, after advertisement for bids, which advertisement shall be published for at least three times in a daily newspaper published and circulated in said city, or if there be no such daily newspaper, then such advertisement shall be published at least once in a weekly or semi-weekly newspaper so published and circulated, or shall be sold in such other manner as the legislative body may determine; provided however, that said bonds shall not be sold by said city, or any officer thereof, for less than par. If the said contractor to whom such bonds are delivered refuses to accept for a period of ten days after written notice from the city treasurer that said bonds are ready for delivery, or upon the completion of said advertisement, the expenses and that there is not sufficient money in said fund to pay said incidental expenses and said awards or damages, he advances as said fund a sum sufficient for said purposes, the legislative body of the municipality may, by its favorable motion and contract forfeited, and said warrants and thereafter void all rights under said contract.

Thereupon, if the amount of such damages be equal to or greater than such assessment, including any penalties and costs due thereon, the assessment shall be marked "Paid to offset," and if said amount be less than said assessment and any penalties and costs due thereon, the person presenting such offset shall at the same time pay the difference to the street superintendent in money, and the assessment shall be made payment, be marked paid the entry showing what part thereof is paid by offset and what part in money.

Thereupon the city treasurer shall issue to said city bonds of the denomination of $1,000 each, in an amount equal at their par value to the amount of money so advanced by the said city, and in any event in such denomination that payable to whatever to the said general fund the par value of all of the said bonds, he which case the said bonds shall be issued to the city, and the said city shall have the same rights in respect to the enforcement and collection thereof as other purchasers. When any such bonds advanced money as in this section described, it shall have full authority to sell said bonds at a public auction to the highest bidder thereof.

SEC. 33. Whenever the treasurer of the city has collected in the assessment fund an amount sufficient to pay the purchasers expenses and damages and has received bonds at their par value in the manner and for the purposes as aforesaid, or has otherwise provided the funds therefor, he shall give notice that said bonds shall be received and registered on and after a time to be stated in said notice, and shall be issued and delivered to the purchasers in payment of the assessments and damages.

SEC. 37. The city treasurer must collect, in addition to the amount due on such bond, the cost of the publication of such notice, and fifty cents for the certificate of sale delivered to the purchaser as hereinafter provided.

SEC. 39. Immediately on the sale, the purchaser shall become vested with a lien on the property, so sold to him, to the extent of his bid, and is only divested of such lien by the payment to the city treasurer of the purchase money, including costs herein provided for, with interest thereon, at the rate of one per cent per month from the date of sale.

SEC. 40. A redemption of the property sold may be made by the owner of the property, or any party in interest, within twelve months from the date of purchase, or at any time prior to the application for a deed, as hereinafter provided. Redemption must be made in lawful money of the United States, and when made to the city treasurer he must mark the word "Redeemed," the date and by whom redeemed on the margin of the book where the entry of the certificate is made, and credit the amount paid to the purchaser named in the certificate, and pay the same to such purchaser, or his assignee, upon the surrender of the certificate of sale, and upon satisfactory proof of an assignment thereof, if any.

SEC. 41. If the property is not redeemed within the time allowed by the provisions of the foregoing section, the city treasurer, or his successor in office, upon application of the purchaser, or his assignee, must make to said purchaser, or his assignee, a deed to the property, reciting in the deed, substantially, the matter contained in the certificate, and that no person has redeemed the property during the time allowed for its redemption. The treasurer shall be entitled to receive from the purchaser two dollars for making said deed, which shall be deposited in the city treasury for the use of the city after payment has been made therefrom for the acknowledgment of said deed; *provided, however*, that the purchaser of the property, or his assignee, or agent, must, thirty days prior to the expiration of the time of the redemption, or thirty days before his application for a deed, serve upon the owner or agent of the property purchased, if named in such certificate of sale, and upon the party occupying the property, if the property is occupied, a written notice, stating that said property, or a portion thereof, has been sold to satisfy the bond lien, the date of sale, the date, number, and series of the bond, the amount then due, and the time when the right of redemption will expire, or when the purchaser will apply for a deed, and the owner of the property shall have the right of redemption indefinitely, until such notice shall have been given and said deed applied for, upon the payment of the fees, penalties, and costs in this Act required. In case of unoccupied property, a similar notice must be posted in a conspicuous place upon the property at least thirty days before the purchaser applies for a deed; and no deed to the property sold, in accordance with the provisions of this Act, shall be issued by the city treasurer to the purchaser of such property until such purchaser shall have filed with such treasurer an affidavit showing that the notice hereinbefore required to be given has been given as herein required, which said affidavit shall be filed and preserved by the said treasurer as other records kept by him in his office. Such purchaser shall

be entitled to receive the sum of fifty cents for the service of such notice and the making of such affidavit, which sum of fifty cents may be paid by the commissioner at the time and in the same manner as the other costs and fees are paid.

SEC. 42. The deed shall also contain a recital of all facts which are necessary to the existence of all things which the land upon which it is based is conditioned upon, and prima facie evidence of the regularity of all proceedings subsequent to the issue of the bond, and conveys to the grantee the absolute title to the lands described therein, free of all encumbrances, except the lien for state, county and municipal taxes.

SEC. 43. Such legislative body may in like manner abandon such proceedings after the letting of such contract in any case where the contractor has failed to begin work within the time provided in this Act, or has failed to complete the same within the time specified in the contract, or has failed to diligently prosecute the said work after beginning the same. Such legislative body may also by like manner abandon any proceedings where the contractor has failed, neglected or refused for a period of ten days after receiving the notice from the city engineer that there is not sufficient money in the fund for the improvement to pay the contractor's warrants and the process of abandonment as herein before provided, to advance to said fund an amount sufficient for such purpose. Such legislative body may in case of the contingencies specified in this section, instead of abandoning the said proceedings, direct the superintendent of streets to readvertise for bids for the doing of said work, or any part thereof, and the said contract may be let as in the first instance, but the fact of any contractor who has failed to do any of the obligations assumed by him by this Act, or any engineer, shall not be considered in any subsequent bidding for the same work.

Immediately upon the completion of the canvass of the returns of any election in any municipal corporation at which the question of annexation of new territory thereto was submitted, as in this Act provided, the legislative body of such municipal corporation shall cause a record of the canvass and entered upon its minutes, showing the total number of votes cast in such municipal corporation upon such question at such election, the number thereof cast in favor of annexation, and the number thereof cast against annexation. If it shall appear from the canvass of the returns of such election that a majority of the qualified electors of such municipal corporation voting on the question of such annexation are in favor thereof, the clerk or other officer performing the duties of clerk of the legislative body of such municipal corporation shall promptly make and certify, under the seal thereof, and transmit to the secretary of state, a copy of the record of the canvass of the returns of the election in such new territory and of the election in such municipal corporation at which the question of the annexation of the same was submitted, and entered upon its minutes as aforesaid together with a statement showing the form of such elections in said new territory and in said municipal corporation, the time and the result of the canvass of the returns of such elections, and containing a description of said territory. Said document shall be filed in the secretary of state's office immediately upon the receipt thereof. From and after the date of the filing of said document in the office of the secretary of state the annexation of such territory so proposed to be annexed and described therein, shall be deemed to be and shall be complete, and thereafter such annexed territory shall be to all intents and purposes a part of such municipal corporation, except only that no property within such annexed territory shall ever be taxed to pay any portion of any indebtedness or liability of such municipal corporation, contracted prior to or existing at the time of such annexation, excepting as hereinafter provided. No irregularity or defect in the form of the presentation of a petition to the legislative body of any municipal corporation for the annexation of such territory thereto, terms and part of any municipal corporation, shall be annexed under the provisions of this Act.

SEC. 5. Whenever any municipal corporation to which it is proposed to annex territory under the provisions of this Act shall have incurred, or authorized the incurring of, any bonded indebtedness for the acquisition, construction or completion of any municipal improvement or improvements, the petition presented to the legislative body of such municipal corporation, as provided in section two of this Act, may contain a prayer that the question to be submitted to the electors residing in the territory proposed by such petition to be annexed to such municipal corporation, shall be, whether such new territory shall be annexed to, be incorporated in, and made a part of, said municipal corporation, and the property therein be, after such annexation, subject to taxation, equally with the property within such municipal corporation, to pay any such bonded indebtedness of such municipal corporation, outstanding at the date of such annexation or thereafter authorized. If such prayer shall be made in said petition, proceedings shall be had thereon, and an election shall be called and held in the territory proposed to be annexed, the same in all respects as upon a petition presented under the provisions of section two of this Act, excepting that the notice of election shall distinctly state the proposition to be submitted, to wit, that it is proposed to annex the described territory which makes a part of such municipal corporation, the territory sought to be annexed, describing the same thereof, and that the property therein shall from such annexation, be subject to taxation, equally with the property within such municipal corporation, to pay such bonded indebtedness of such municipal corporation, outstanding at the date of the said annexation, or indebtedness thereafter authorized and to be represented by bonds of such municipal corporation thereafter to be issued. The said notice shall, in addition distinctly state the improvement or improvements for which such indebtedness was so incurred or authorized, and state the amount or amounts of such indebtedness already incurred, outstanding at the date of the first publication of such notice, and the amount or amounts of such indebtedness thereafter authorized and to be represented by bonds thereafter to be issued, and the maximum rate of interest payable, or to be payable on such indebtedness; and upon the canvass of the returns of the votes cast by said territory proposed to be annexed at any election held thereon, under the provisions of this section, if it shall appear that two-thirds of all the votes cast in such outside territory are in favor of annexation, the legislative body of such municipal corporation shall submit to the electors thereof the question whether such territory shall be annexed to, incorporated in and made a part of such municipal corporation. Such question may be so submitted to the electors of such municipal corporation in the same manner as provided in section three of this Act, and if it shall appear from the canvass of the returns of the election in such municipal corporation at which such question shall have been submitted that a majority of the qualified electors thereof voting upon the question of such annexation are in favor thereof, like proceedings shall thereupon be had, and with the same force and effect, as provided in sections three and four of this Act. The provisions of sections two, three and four of this Act, so far as applicable, shall apply to annexation under the provisions of this section.

From and after the date of the filing in the office of the secretary of state of a copy of the record of the canvass of the returns of the election in such new territory

and of the exercise of such municipal corporation of which the question of the annexation of the same was pending and submitted under the provisions of this section, and entered upon the exercise of the legislative duties of such municipal corporation as hereinbefore in this Act provided, together with a statement showing the dates of such elections, to which shall be attached a duly authenticated abstract of the votes cast at each of said elections, and the result of canvass of the returns of such elections by the judges of such territory as aforesaid in the thousand and hundred districts shall be prepared and shall be executed and transmitted under the seal of the municipal corporation of which the territory sought to be annexed is a part to the Secretary of State, who shall file and preserve a part of such returns, canvass, and the proposed articles of such proposed territory shall be found to vote the question of annexation by majorities of such respective districts as hereinbefore provided, then the territory within such municipal corporation, and the territory sought to be annexed, shall become annexed and a part of such municipal corporation, and the inhabitants thereof shall be entitled to all the rights and privileges and be subject to all the duties and liabilities of the inhabitants of such municipal corporation in all respects whatsoever.

SEC. 6. Nothing in this Act contained shall be construed to prevent the submission to the electors of any municipal corporation the question of annexation of any territory at any time after the expiration of two years from the date of any election held under the provisions of this Act upon the question of annexation of such territory, or any part thereof, to such municipal corporation, and the proceedings in relation thereto shall be had in the manner provided in this Act for the first election held upon the question of annexation of such territory.

SEC. 7. Whenever a petition for the annexation of any such territory to any municipal corporation has been presented to the Secretary of State, as in this Act provided, no petition asking for the annexation of territory to the same or the territory described in such petition or any other municipal corporation shall be presented to the legislative body of such municipal corporation, and the said municipal corporation legislative body shall not consider the question of the annexation of said territory or any part thereof to the district of such other municipal corporation, until the question of the annexation of said to the municipal corporation whose jurisdiction

SEC. 8. The legislative body of any municipal corporation which is or shall be divided into wards, and to which territory has been heretofore or shall hereafter be annexed, under the provisions of this Act, must by ordinance either so alter the boundaries of the wards of such municipal corporation as to include such annexed territory in one or more wards adjoining such annexed territory, or make of such annexed territory one or more additional wards; *provided*, that the number of wards shall not be so increased as to exceed the number which such municipal corporation may have according to law. In altering the boundaries of wards, or creating new wards, regard must be had to the number of inhabitants, so that each ward shall contain, as near as may be, an equal number of inhabitants, exclusive of persons ineligible to citizenship in this state.

SEC. 9. Nothing in this Act contained shall alter or affect the boundaries of any senatorial or assembly district.

SEC. 10. All proper expenses of proceedings for annexation of territory under this Act, whether such annexation shall be made and completed or not, shall be paid by the municipal corporation so annexing or attempting to annex such territory. In the event that a tax for road purposes has been levied by the board of supervisors of any county against property situated in territory which, subsequent to such levy, is annexed to any municipal corporation under the provisions of this Act, but which, at the time of such annexation has not been collected, then all such taxes so uncollected shall be and become the property of the municipal corporation to which such territory is annexed, and the same shall, with other county taxes, be collected by the county tax collector, and by him paid into the county treasury of said county, after which the same shall, by the county treasurer, be paid to such municipal corporation, upon proper warrant therefor. The town or city clerk, or other officer performing the duties of clerk of such municipal corporation, shall, at any regular meeting of the board of supervisors of said county, present, and file a verified claim for any money thus due such municipal corporation setting forth the fact, and the date of such annexation, and the amount in the hands of said county treasurer so due such municipal corporation. When any proceedings for the annexation of territory to any municipal corporation are commenced under this Act, the provisions of this Act, and of such amendments, thereto as may hereafter be adopted, and no other, shall apply to such proceedings. This Act may be designated and referred to as the "Annexation Act of 1913."

Said jurors shall be selected from the persons residing in the city in which said police court is held, such jurors being citizens and qualified to serve as jurors therein, as follows: The judges of said court shall meet for the purpose of selecting a jury. The presiding judge shall preside at such meeting, and a majority of the judges of said court shall constitute a quorum. The judges shall estimate and designate the number of jurors required for the trial of cases in said court for the ensuing three months. From the jurors appearing on the last preceding completed assessment roll of the county in which said city is

located, of persons assessed on property belonging to themselves and apparently competent and suitable to serve as jurors in such court, the judges shall select names which shall not be less than two, nor more than four, times the number designated as the number of jurors required as hereinbefore provided, which names shall be written on separate slips of paper, and said slips shall be folded so as to conceal the names thereon, and said slips shall be placed in a proper receptacle and thoroughly mixed. The presiding judge shall then draw from said receptacle, one at a time, as many slips as the number designated by said judges as the number of jurors required, and there shall be made two lists of said names so drawn and one of said lists shall be delivered to the presiding judge. The other list shall then be filed in the office of the presiding judge. The presiding judge shall thereupon make an order requiring the persons whose names have been so drawn to attend in said court at a suitable time and place in said order designated; and said order shall be signed by the presiding judge and the seal of the court attached. The clerk of the department of the presiding judge shall attach to said order a copy of the list of the names drawn as above set forth, and deliver said order with said list attached to one of the bailiffs of the said court or to any police officer of said city. The said bailiff or police officer shall without delay, and without further pay, serve and return said order to said court, in the manner provided in Section 225 of the Code of Civil Procedure.

At the time and place fixed in said order for the appearance of the persons so summoned, the presiding judge shall attend and shall call the names on said list and shall make a record of those present and those absent, and shall excuse such as shall appear to him to be not competent or eligible to serve as jurors, and such as appear to be exempt from jury duty in such cases as the exemption is pressed by the prospective juror as an excuse from duty, and such as appear to him to be entitled to be excused under the provisions of Section 201 of the Code of Civil Procedure. The question of the competency or incompetency, or exemption from jury service, shall be determined according to the provisions of Sections 198, 199 and 200 of the Code of Civil Procedure.

Any juror summoned as above provided, who fails to appear, may be attached by an order issued by said presiding judge, and served by one of the bailiffs of said court or any police officer of said city, and punished as provided in Section 238 of the Code of Civil Procedure.

The names of the persons attending, whether by original service or attachment, and not excused, shall be written on separate slips of paper, which slips shall be folded so as to conceal the names, and shall be placed in a box. If, in the opinion of the presiding judge, there is not in attendance a sufficient number of jurors for the trial of cases in said court for the ensuing three months, he may cause additional names to be drawn, and the persons whose names are so drawn to be summoned in the manner hereinbefore provided, until the number of persons designated in the original order are in attendance and are qualified, and their names placed in a box; *provided, however*, that the drawing, or the attendance, or the qualifying of a greater or less number of jurors than that designated by the judges as hereinbefore provided shall not be a ground of challenge to the panel or to a juror, nor shall it affect the validity of any act as a juror of any persons so drawn and qualified.

When a jury is required in any department of said court, the judge presiding in that department, or any judge of said court, shall cause to be drawn from the box containing the names of the jurors attending, and not excused, a number of names estimated to be sufficient from which to select said jury. If the persons whose names are so drawn are not present in said court, they may by order of a judge of said court, be summoned by the bailiff of said court or a police officer in the manner hereinbefore provided. If said names so drawn are exhausted before the jury is completed, additional names shall be drawn in the same manner until the jury is completed or the slips in the box are exhausted. The slips containing the names so drawn shall be delivered to the clerk of the department in which the jury is to be selected, who shall without unfolding them, place them in a box and cause them to be thoroughly mixed; and shall then draw from said box, one at a time, said slips and call the name from each of said slips as it is drawn, until the jury box is filled. Thereupon the parties to the cause shall proceed to select a jury in the manner and under the rules laid down in Sections 1055 to 1088, inclusive, of the Penal Code.

The clerk of the court shall preserve the slips drawn as above required, and shall retain in his possession all slips containing the names of jurors sworn to try the cause, until such trial is finished, when he shall return them to the presiding judge; and shall also return to the presiding judge the slips containing the names of those drawn and rejected. The slips so returned to the presiding judge shall not be replaced in the general panel box until the jury in the cause for which they were drawn has been completed, but may be placed in and drawn from a separate box for use and service in another trial in any other department of said court. If for any reason the entire term trial panel of jurors is exhausted without completing a jury, the judge of the department in which the cause is being tried may issue an order or writ of venire and cause to be summoned additional talesmen, as provided in Sections 230, 231 and 232 of the Code of Civil Procedure. From such of these additional

talesmen as are qualified and eligible for jury duty, the jury may be completed as provided by law.

Jurors shall be paid two dollars ($2.00) per diem for such days actually served in the trial of causes in said court, which compensation shall be payable from the treasury of the city. Each juror shall also be entitled to compensation for mileage necessarily traveled from his place of residence to said court, which shall be at the rate of five cents per mile one way and such compensation shall be payable from the treasury of the city. The clerk of each department of said court shall keep an account of the time served by each juror and the distance traveled in attending said court by each juror, and shall, at the end of each month, furnish to the presiding judge thereof the number of days served by each juror and the amount of mileage due each juror and the presiding judge shall thereupon deliver to each juror on the last day of each month a certificate over his signature and the seal of said court, showing the number of days served by such juror, the mileage from one end of the county to the other, which certificate shall be a sufficient demand on the Treasurer of said city.

SEC. 13. The police court shall be always open during business hours, except upon non-judicial days, and there the same business may be transacted as required of other courts of this state.

SEC. 14. Appeals may be taken from any judgment of said police court to the superior court of the county in which such city may be located, on the same grounds and in the same manner in which appeals are taken from justices' courts in the state.

SEC. 15. Such legislative body shall cause notice to be given of such election and the publication of a notice thereof, or a resolution of general circulation. A map which shall be printed and published in such municipal corporation as designated to be consolidated with such other municipal corporation, at least once a week for a period of four

consecutive weeks next preceding the date of such election. If there be no such newspaper, then such legislative body shall cause notice of such election to be given by the publication thereof in a newspaper of general circulation, printed and published in the county in which such municipal corporation is situated, and by posting such notice in three public places in such municipal corporation, at least four weeks prior to such election. Such notice shall distinctly state the proposition to be submitted, the names of the municipal corporations proposed to be consolidated, and the date of such election, which date shall be within twenty days after the expiration of the publication of such notice. Such notice shall direct the electors to vote upon the question of such proposed consolidation in the manner hereinafter provided. Such legislative body is hereby empowered to, and it shall be its duty, to establish, and in such notice to designate, the voting precinct or precincts and the place or places at which the polls will be open for such election, which place or places shall be that or those commonly used as voting places in the municipal corporation in which such election is held, if any such there be. The legislative body of such municipal corporation is hereby empowered to, and it shall, appoint the officers of such election, who shall be, for each voting place, two judges and one inspector, each of whom shall be a qualified elector of the voting precinct in which he or she is appointed to act as an officer of such election. Upon the ballot to be used at such election, there shall be printed the words "Shall the cities of (giving names of municipal corporations proposed to be consolidated) be consolidated?" And opposite such proposition to be voted upon, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines, with voting squares. If an elector shall stamp a cross (×) in the voting square after the printed word "Yes," the vote of such elector shall be counted in favor of such consolidation; and if an elector shall stamp a cross (×) in the voting square after the printed word "No," the vote of such elector shall be counted against such consolidation. The ballots used at such election, the opening and closing of the polls, and the holding and conducting of such election, shall be in conformity, as near as may be, with the general laws of this state concerning municipal elections, except as herein otherwise provided. The judges and inspector of such election for each polling place shall make returns on the closing of the polls, count the ballots, make a certificate and seal the ballots and tally sheets of the ballots cast at their respective polling places, doing so as nearly as practicable, in the manner provided in the laws of this state relating to general elections, and they shall thereupon deliver the ballots, tally sheets, and returns to, and deposit the same with the clerk of the legislative body of the municipal corporation in which such election was held. Such legislative body shall, at the time provided for its regular meeting next after the expiration of three days from and after the date of said election, meet and proceed to canvass said returns, and such canvass shall be completed at such meeting, if practicable, and in any event as soon as same can be, avoiding adjournment or adjournment over until said canvass is completed. Immediately upon the completion of such canvass, said legislative body shall declare the result of such election and shall cause a record thereof to be made and entered upon its minutes, stating the proposition so submitted, and showing the whole number of votes cast thereon in each municipal corporation, the number of votes cast therein in favor of consolidation, and the number of votes cast therein against consolidation.

SEC. 3. If it shall appear from the canvass of the returns of the election mentioned in section two of this Act, that a majority of all the votes cast in the municipal corporation in which such election was held, upon the question of consolidation submitted at such election, are in favor of such consolidation, the clerk of the legislative body of such municipal corporation, shall forthwith make, under the seal thereof, and deliver to the clerk of the legislative body of the other of the municipal corporations proposed to be so consolidated, to wit: the municipal corporation having the greater population, a copy in duplicate, of the record of such canvass, together with a statement of the proposition submitted at such election. The clerk of the legislative body of such municipal corporation so having the greater population shall present one such copy of said record and said statement to such legislative body without delay, and retain the other to be filed as hereinafter provided. Upon receiving the copy of such record so presented, such legislative body must then submit to the electors of such other of the municipal corporations so proposed to be consolidated and having the greatest population, the question whether such consolidation shall be effected. Such question may be so submitted at the next general municipal election to be held in such municipal corporation, or it may be so submitted prior to such general election, whether either at a special election called therein for that purpose, or at any other special municipal election therein, except an election at which the submission of such question is prohibited by law. Whenever such question is submitted at any election in such municipal corporation, such question shall be stated in the notice of such election and on the ballots to be used at such election, and the electors shall vote thereon, in the same manner as hereinbefore provided in the case of the election mentioned in section two of this Act. And whenever such question is submitted at any such municipal election, general or special, as provided in this section, it shall be submitted and voted upon as other questions are required by law to be submitted and voted upon at such elections, except in particulars otherwise in this Act set forth; and the laws applicable to

and governing the time and manner of giving notice, conducting ballots, canvassing the returns, and declaring the result of any such election shall apply to and govern the submission of such question to the electors of such municipal corporation at any such election.

SEC. 4. Immediately upon the completion of the canvass of the returns of any election in the municipal corporations named the governing committee of said municipal corporations proposed to be consolidated, at which the question of such consolidation was submitted, as provided in section three of this Act, the chairman or clerk of such municipal corporation having the greatest population shall declare the result of such election and shall cause a record to be made and entered upon the minutes of the proceedings of the governing committee of such municipal corporation stating the proposition submitted and showing the total number of votes cast in each municipal corporation upon the question, the number of such votes cast in favor of consolidation, and the number thereof cast against consolidation. If it shall appear from the canvass of the returns of such election that a majority of the qualified electors of each municipal corporation voting on the question of such consolidation cast in favor thereof, provided no other municipal corporation named in the petition filed as provided in section one of this Act shall have failed to receive a majority of the votes cast at such election in favor of consolidation, and provided further, that the governing committee of each municipal corporation shall promptly make and certify, under the seal thereof, and transmit to the secretary of state a copy of the record of the proceedings and canvass of the election in such municipal corporation having the greatest population at which the question of such consolidation was submitted, and a duplicate thereof, as provided in this section, and also shall file with the secretary of state a statement showing the total number of votes cast in each municipal corporation proposed to be consolidated, and the number of votes cast for and against consolidation, and shall also

Thereupon the question of such consolidation shall be submitted to the electors of such other municipal corporation at an election therein, and in the same manner in all respects as provided in section three of this Act. And upon the canvass of the returns of such election, if it shall appear therefrom, that a majority of the votes cast at such election in such other municipal corporation having the greater population, upon the question of such consolidation, are in favor thereof, the same proceeding shall be had as provided in section four of this Act, and such consolidation shall be deemed to be, and shall be completed in the same manner, and with the same effect as in said section provided. After the completion of the consolidation of such municipal corporations, as hereinbefore provided, the property in the one of such municipal corporations so consolidated, not having the greater population, shall thereafter be taxed equally with the property in the one of such municipal corporations having the greater population and that originally incurred, or authorized the incurring of the bonded indebtedness specified in the petition for such consolidation.

SEC. 6. Nothing in this Act contained shall be construed to prevent the submission to the electors of any municipal corporation having a greater population than either of the other municipal corporations proposed to be consolidated therewith, as separate propositions to be voted upon separately at one and the same election in the municipal corporation so having the greater population, of the questions of the consolidation therewith of two or more such other municipal corporations, each of which is contiguous to such municipal corporation having the greatest population. Whenever, upon proceedings had and taken, and at elections called and held in accordance with the provisions of this Act, the electors of each of two or more such other municipal corporations have voted in favor of the consolidation thereof with the same municipal corporation, having the greatest population, the legislative body of such municipal corporation must submit to the electors thereof, as separate propositions, each to be voted upon separately and without regard to any of the others, the question whether each such other municipal corporation shall be consolidated with such municipal corporation so having the greatest population. Such questions may be so submitted at the next general municipal election to be held in such municipal corporation, or they may be so submitted prior to such general election, either at a special election called therein for that purpose, or at any other special election therein, except an election at which the submission of such questions is prohibited by law. The notice of such election shall state, as separate propositions to be submitted at such election, the question of the consolidation of each such other municipal corporation, in the same manner as hereinbefore provided in the case of the notice of an election in such municipal corporation at which the question of the consolidation of only one other municipal corporation therewith is submitted; and the question, as to each such other municipal corporation, shall be printed upon the ballots to be used at such election and the same shall be voted upon, separately, in like manner as hereinbefore provided in the case of the submission of the question of the consolidation therewith of one such other municipal corporation. The provisions of this Act shall apply to the holding and conducting of such election in all respects the same as in the case of an election when only one such question is submitted; *provided, however*, that the consolidation of such municipal corporation having the greatest population and any other municipal corporation or corporations, upon the question or questions of which consolidation a majority of votes cast thereon at such election shall have been cast in favor thereof, shall not be affected or prejudiced in any manner, in the event that a majority of the votes cast at such election upon the question or questions of the consolidation of such municipal corporation having the greatest population and any other municipal corporation or corporations shall have been cast against such consolidation.

If it shall appear from a canvass of the returns of such election, that a majority of the qualified electors of such municipal corporation having the greatest population, voting separately upon the question of the consolidation of the same and any one or more other municipal corporations are in favor thereof, the clerk or other officer performing the duties of clerk of the legislative body of such municipal corporation having the greatest population shall promptly make and certify, under the seal thereof, and transmit to the secretary of state, a copy of the record of the canvass of the returns of the election in such municipal corporation having the greatest population at which the questions of such consolidations were submitted, and entered upon its minutes as aforesaid, and one of the copies delivered to him as aforesaid, of the record of the canvass of the returns in each of the other municipal corporations proposed to be consolidated, together with a statement showing the date of the elections in such municipal corporation and in each such other municipal corporation proposed to be consolidated therewith, and the time and result of the canvass of the returns of such elections: *provided, however*, that the aforesaid record and statement as to any number of such consolidations may be included in one document. Upon the filing of said document in the office of the secretary of state, each such consolidation shall be deemed to be, and shall be complete, and

each municipal corporation as constituted with the territorial extension during the greatest population, shall be governed by the said chief or superintendent with control and power to act thereof from the date of such municipal corporation having the greatest population.

SEC. 7. Whenever a petition for the consolidation of any two municipal corporations has been received by the legislative body of one of them as provided by this Act, provided no other petition asking for the consolidation of the municipal corporation whose legislative body received such petition, or any other municipal corporation shall be presented to the legislative body of such municipal corporation, and such legislative body shall not publish the notice of the consolidation of such municipal corporation as provided herein until the question of the consolidation of the municipal corporations whose legislative body received the petition shall have been submitted to the electors of the municipal corporations whose legislative body received the petition, and a majority of electors voting upon such question in each municipal corporation shall have voted in favor of consolidation. If a majority of electors voting upon such question in such municipal corporation shall have voted against such consolidation, then the proceedings of such municipal corporations shall be void, and no further proceedings shall be had in relation to the consolidation of such municipal corporations. If a majority of the electors of each municipal corporation voting upon such question shall have voted in favor of consolidation, then the proceedings of such municipal corporations shall have been completed as in the case of such municipal corporations having the greatest population, and a majority of electors voting upon such question shall have voted against such consolidation.

SEC. 9. Whenever municipal corporations are consolidated under the provisions of this Act, the one of such municipal corporations having the greatest population shall be deemed and taken to be and shall be the successor of each of the other municipal corporations consolidated therewith, and the one so succeeding thereto, or held to such joint municipal corporation, as to such property, assessed or levied or other or taxes thereof, or those of different, the same shall have been made, collection being continued, the consolidation proceedings shall be valid as to the one of such municipal corporations so consolidated having the greatest population, or such other or such other as may be designated by the proceedings for the consolidation of such municipal corporations so consolidated under the provisions of this Act, and the chief executive officer of such municipal corporation so consolidated under the provisions of this Act having the greatest population, or possessed of such other powers and duties as may be designated by the proceedings for the consolidation of such municipal corporations so consolidated under the provisions of this Act, and the treasurer, the auditor or possessed of such other powers and duties and treasurer, and they shall severally forthwith deliver all moneys, funds, books, papers, evidences and records in their custody, and all other property and every description, respectively, in their hands or under their control to the proper officers of such municipal corporation so consolidated having the greatest population.

(b) The words "estate" and "property" as used in this Act shall be taken to mean the real and personal property or interest therein of the testator, intestate, grantor, bargainor, vendor or donor passing or transferred to individual legatees, devisees, heirs, next of kin, grantees, donees, vendees or successors and shall include all personal property within or without the state.

(e) The words "county treasurer" and "district attorney" and "inheritance tax appraiser," as used in this Act, shall be taken to mean the treasurer or the district attorney or the inheritance tax appraiser of the county of the superior court having jurisdiction, as provided in section fifteen of this Act.

(f) The words "contemplation of death," as used in this Act, shall be taken to include that expectancy of death which actuates the mind of a person on the execution of his will, and in no wise shall said words be limited and restricted to that expectancy of death which actuates the mind of a person in making a gift causa mortis; and it is hereby declared to be the intent and purpose of this Act to tax any and all transfers which are made in lieu of or to avoid the passing of property transferred by testate or intestate laws.

SEC. 2. A tax shall be and is hereby imposed upon the transfer of any property, real, personal or mixed, or of any interest therein or income therefrom, in trust or otherwise, to persons, institutions or corporations, not hereinafter exempted, to be paid to the treasurer of the proper county, as hereinafter directed, for the use of the state, in the following cases:

SEC. 3. (1) All property transferred to societies, corporations, and institutions now or hereafter exempted by law from taxation, or to any public corporation, or to any society, corporation, institution, or association of persons engaged in or devoted to any

enjoyment or possession whereof there are persons or corporations presently entitled thereto, no allowance shall be made on account of any contingent incumbrance thereon, nor on account of any contingency upon the happening of which the estate or property or some part thereof or interest therein might be abridged, defeated or diminished; *provided, however*, that in the event of such incumbrance taking effect as an actual burden upon the interest of the beneficiary, or in the event of the abridgement, defeat or diminution of said estate or property or interest therein as aforesaid, a return shall be made to the person properly entitled thereto of a proportionate amount of such tax on account of the incumbrance when taking effect, or so much as will reduce the same to the amount which would have been assessed on account of the actual duration or extent of the estate or interest enjoyed. Such return of tax shall be made in the manner provided by section twelve hereof upon order of the court having jurisdiction.

(*c*) When property is transferred in trust or otherwise, and the rights, interest or estates of the transferees are dependent upon contingencies or conditions whereby they may be wholly or in part created, defeated, extended or abridged, a tax shall be imposed upon said transfer at the highest rate which, on the happening of any of the said contingencies or conditions, would be possible under the provisions of this Act, and such tax so imposed shall be due and payable forthwith by the executors or trustees out of the property transferred; *provided, however* that on the happening of any contingency whereby the said property, or any part thereof, is transferred to a person or corporation exempt from taxation under the provisions of this Act, or to any person taxable at a rate less than the rate imposed and paid, such person or corporation shall be entitled to a return of so much of the tax imposed and paid as is the difference between the amount paid and the amount which said person or corporation should pay under the provisions of this Act. Such return of overpayment shall be made in the manner provided by section twelve of this Act, upon order of the court having jurisdiction.

(*d*) Estates in expectancy which are contingent or defeasible and in which proceedings for the determination of the tax have not been taken or where the taxation thereof has been held in abeyance, shall be appraised at their full, undiminished value when the persons entitled thereto shall come into the beneficial enjoyment or possession thereof, without diminution for or on account of any valuation theretofore made of the particular estates for purposes of taxation, upon which said estates in expectancy may have been limited.

(*e*) Where an estate for life or for years can be divested by the act or omission of the legatee or devisee it shall be taxed as if there were no possibility of such divesting.

(*f*) The value of every future, or contingent or limited estate, income or interest, shall, for the purposes of this Act be determined by the rule, methods and standards of mortality and of value that are set forth in the actuaries' combined experience tables of mortality for ascertaining the value of policies of life insurance and annuities and for the determination of the liabilities of life insurance companies, save that the rate of interest to be assessed in computing the present value of all future interest and contingencies shall be five (5) per cent per annum. The insurance commissioner shall without a fee on the application of any superior court or of any inheritance tax appraiser determine the value of any future or contingent estate, income or interest therein limited, contingent, dependent or determinable upon the life or lives of persons in being, upon the facts contained in any such appraiser's application or other facts to him submitted by said appraiser or said court and certify the same in duplicate to such court or appraiser, and his certificate thereof shall be conclusive evidence that the method of computation therein is correct.

SEC. 10. (*a*) Any administrator, executor, or trustee having in charge or trust any legacy or property for distribution, subject to the said tax, shall deduct the tax therefrom, or if the legacy or property be not money he shall collect the tax thereon, upon the market value thereof, from the legatee or person entitled to such property, and he shall not deliver, or be compelled to deliver, any specific legacy or property subject to tax to any person until he shall have collected the tax thereon; and whenever any such legacy shall be charged upon or payable out of real estate, the executor, administrator, or trustee shall collect said tax from the distributee thereof, and the same shall remain a charge on such real estate until paid; if, however, such legacy be given in money to any person for a limited period, the executor, administrator, or trustee shall retain the tax upon the whole amount; but if it be not in money he shall make application to the superior court to make an apportionment, if the case require it, of the sum to be paid into his hands by such legatees, and for such further order relative thereto as the case may require.

(*b*) All executors, administrators, and trustees shall have full power to sell so much of the property of the decedent as will enable them to pay said tax, in the same manner as they may be enabled by law to do for the payment of debts of the estate, and the amount of said tax shall be paid as hereinafter directed.

(*c*) Every sum of money retained by an executor, administrator, or trustee, or paid into his hands, for any tax on property, shall be paid by him, within thirty days thereafter, to the treasurer of the county in which the probate proceedings are pending.

COMMUNICATION.

The following communication was received:

PANAMA-PACIFIC INTERNATIONAL EXPOSITION,
SAN FRANCISCO, April 30, 1913.

Lieutenant Governor A. J. WALLACE, *President of the Senate, Sacramento, Cal.*

DEAR SIR: I enclose herewith a duly attested copy of resolutions unanimously adopted by the directors of the Panama-Pacific International Exposition at a meeting held April 23, 1913, in commemoration of a telegram of similar date to Hon. Chester H. Rowell, president of the California State Commission of the Panama-Pacific International Exposition, in which I was informed that California was honored and I respectfully request that same be presented to the Assembly, over which you preside.

Yours very truly,

RUDOLPH J. TAUSSIG, Secretary.

At a regular meeting of the board of directors of the Panama-Pacific International Exposition, held Wednesday, April 23, 1913, the following resolutions were unanimously adopted:

WHEREAS, The State of California, of its urgent solicitation, was selected by the Congress of the United States, through the medium of the Panama-Pacific International Exposition, to act in behalf of the government as the host for the people of the United States, to all peoples who may so desire to join with the United States in celebrating the opening of the Panama Canal by participating in the universal exposition of 1915; and

WHEREAS, In pursuance of this Act of Congress, as passed at the urgent request of the State of California and its Legislature, the President of the United States invited all nations and all peoples, without regard to race, creed, political system or social development, to take part in the celebration of the opening of the great international highway; and

WHEREAS, In accepting this trust at the hands of the people and government of the United States and in special behalf of the State of California, the exposition has been seriously requested, and has solemnly agreed, to provide every facility and to offer every encouragement that physical preparation can afford, or the broadest spirit of universal fellowship suggest, and has intended and still intends so to do, in a manner responsive to the invitation of the United States and to the sentiment of universal brotherhood that this celebration is intended to promote; and

WHEREAS, Any action upon the part of the people of California, through its Legislature or otherwise, calculated to lessen the interest of all nations and peoples in the success of this celebration, will negative and nullify the implied and expressed covenants of the State of California; therefore, be it

Resolved, By the board of directors of the Panama-Pacific International Exposition, that any action on the part of the Legislature of California that shall be regarded by any foreign country or government as offensive to their pride as a people, or their honor as a nation, must and will challenge the good faith of the commonwealth of California.

Resolved, That it is the deliberate and unqualified conviction of this board that, by accepting this great trust for the nation, rendered of deep international dignity and import by the request of the American government to all nations and all peoples, without exception, to share with our nation the gratification and pride all patriotic Americans feel in the tremendous gift of the Panama Canal to the world, with its immeasurable commercial and civilized advantages, the State of California unquestionably pledged to all participants equal opportunity and courtesy and undiscriminating welcome and hospitality.

Resolved, further, That we, as a board of directors, deeply impressed with the responsibility we have assumed on behalf of the State of California, emphatically protest against the passage of any measures in the Legislature of the State that are in any wise contrary to the spirit of the obligation incurred by this State at the time it assumed the responsibility conferred upon it by Act of Congress.

Resolved, further, That the president of this exposition be authorized and instructed to sign, and the secretary of the company to place the seal of the corporation upon these resolutions, and to suitably engross and copy the same, and transmit them to each House of the Legislature of the State of California, with the request that they be printed in the Journals thereof, and to such other bodies or persons as, in the opinion of the president, it shall be deemed advisable to do, thereby confirming similar previous acts by this board, and the representations of committees of this board before the Legislature at Sacramento, as well as official statements previously given to the press and public.

[SEAL] PANAMA-PACIFIC INTERNATIONAL EXPOSITION.

COMMUNICATIONS

The following communication was received:

BOARD OF STATE HARBOR COMMISSIONERS
SAN FRANCISCO, CAL., May 1, 1913.

To the Honorable, the Senate of the State of California, Sacramento, Cal.

GENTLEMEN: By direction of the Board of State Harbor Commissioners, I am transmitting to you herewith a certified copy of resolution adopted by the said Board at its meeting held today.

Very respectfully,

LEO V. MERLE, Jr., Secretary.

WHEREAS, The Board of State Harbor Commissioners, after careful investigation and mature deliberation, is convinced that it would be of immediate benefit to the port of San Francisco, to the interests of the whole country, to the commerce of California, and particularly to the residents of the districts surrounding the bay of San Francisco to have Yerba Buena Island, commonly called Goat Island, in the bay of San Francisco, made a great ocean terminal for transcontinental and other railroads, open to all on equal terms and controlled by the State as a public utility for such purposes and for transportation purposes in general; and

WHEREAS, We are assured by competent engineering authority that it is entirely practicable to connect the island with the Alameda shore, either on a solid embankment or by a causeway and bridge, whichever should be deemed best for the interests of all concerned, and within a cost greatly justified by the use and importance of the undertaking; and

WHEREAS, The present use of the island as a naval training station by the national government is an economic injury and, although one of prospective increase in the real value of the island if suitably developed, the larger portion now remains unproductive; and

WHEREAS, A suitable site for the naval training station can easily be found somewhere around the bay of San Francisco; and

WHEREAS, The use of the island as a national terminal would permit the speeding time of the ferry service between San Francisco and Alameda County to be cut down more than two thirds and also greatly reduce the expenses of operation so that wrecked and consequently heavily depressed real property values; and

WHEREAS, Time and consolidated effort will be required to bring about the desired object, and it is therefore advisable for some public agency to be appointed or authorized and directed to take charge of this movement and push it [illegible] to a successful issue; now, therefore, be it

Resolved, That the Governor and the Legislature of the State of California be, and they hereby are, requested to make [illegible] the [illegible] of the island to the State of California, to be used for [illegible] purposes as above outlined.

Resolved, That it is hereby respectfully suggested to the Congress and the Legislature that the United States Senators and Congressmen from California be requested to initiate and prosecute the necessary legislation to that end; and that the Board of State Harbor Commissioners, or some other public agency, be authorized and directed to promote the undertaking by educating and organizing public sentiment on the subject and enlisting public support; and we request [illegible] to carry the movement to a speedy and successful consummation.

I, Leo. V. Merle, Jr., the duly appointed and qualified secretary of the Board of State Harbor Commissioners, do hereby certify that the foregoing is a full, true and correct copy of resolution passed by said Commissioners [illegible] at a regular meeting of said Board of State Harbor Commissioners held on the first day of May, 1913, and unanimously adopted by said Board.

Witness my hand and the official seal of said Board affixed this first day of May, 1913.

[SEAL] LEO V. MERLE, Jr., Secretary.

Section 1. Section one of article two is hereby amended to read as follows:

Section 6. At the general election to be held next after the United States shall have made an enumeration or census of the population of the State of California, there shall be elected in each congressional district in said state by the qualified electors thereof, a member of a party known which board shall be known as "the state reapportionment commission." Whenever the number of congressional districts shall be fixed the governor shall on or before the following day of December in each year appoint by additional members of such board. When the commission of the members above referred to shall be appointed commissioners by mutual consent to choose the data and information showing the population of said state as a whole, and by personal examination from which a determination of assembly and senate districts as hereinafter provided can be made, the governor of the state shall issue a call signed by the governor, countersigned by the secretary of the state of a term specified in such call and not more than thirty days from the date of such call, for the purpose of performing the duties of said board as prescribed in this section. The board must meet at the state capitol on the day named in said call of the governor and organize by electing a chairman and secretary from its members, and must within thirty days thereafter make a complete reapportionment of the state into assembly and senatorial districts to the number and in the manner hereinafter prescribed, and describe the exact boundaries of each of such districts in writing, and cause to be filed in the office of the secretary of state a full and correct copy thereof. Each member of said board present at any meeting thereof shall have a right to vote, and the concurrence of a majority of the members elected to such board is necessary to every decision of such board. In case any member of said board shall refuse to act, or in case a vacancy shall occur in said board, the governor shall appoint a person to fill such vacancy. The decision of a majority of the members elected to said board shall be necessary to every decision of said board, and the concurrence

of such copies in his office open to public inspection, and shall immediately deliver one copy to the governor, and upon the convening of the next regular session of the legislature, shall deliver one copy thereof to the presiding officer of each house of said legislature. If such board shall fail or neglect to make and file such reapportionment as required by this section and within the time herein provided, the attorney general of the state shall, within the twenty days from the expiration of such ninety days, apply to the supreme court of the state for a writ of mandamus to compel such board to perform and complete its duties under this section, and the supreme court must issue such writ or writs of mandamus to the said board and its members, as shall be necessary to compel the complete performance of its duties under this section within a time to be named by said court, and the said court is authorized and empowered to make any and all orders, judgments and commitments as it may deem necessary to enforce its said writ or writs. For the purpose of choosing members of the legislature, the state shall be divided into forty senatorial and eighty assembly districts, as nearly equal in population as may be, and composed of contiguous territory, to be called senatorial and assembly districts. Each senatorial district shall choose one senator, and each assembly district shall choose one member of assembly. The senatorial districts shall be numbered from one to forty, inclusive, in numerical order, and the assembly districts shall be numbered from one to eighty in the same order, commencing at the northern boundary of the state and ending at the southern boundary thereof. In the formation of such districts, no county, or city and county, shall be divided, unless it contains within its boundaries sufficient population to form more than one district: *provided*, that the portion of any county, or city and county, left over by the excess population remaining after formation of compact districts of the largest population within county lines, may be combined with a contiguous county or a part thereof to form a district. The census taken under the direction of the congress of the United States must be adhered to, and shall be the basis of fixing and adjusting the legislative districts, and the said board shall adjust such districts and reapportion the representation so as to preserve them as near equal in population as may be. But in making such adjustments no persons who are not eligible to become citizens of the United States, under the naturalization laws, shall be counted as forming a part of the population of any district. Until such districting as herein provided for shall be made, senators and assemblymen shall be elected by the districts according to the apportionment now provided for by law. If the congress of the United States shall have reapportioned the members of congress to the several states under the census above referred to, at the time of, or within sixty days after the organization of such board, such board shall also within the ninety days so-called make a complete reapportionment of the state into as many congressional districts as the state shall be entitled to, subject to the foregoing rules and limitations. When a congressional district shall be composed of two or more counties, it shall not be separated by any county belonging to another district. No county, or city and county, shall be divided in forming a congressional district so as to attach one portion of a county, or city and county, to another county, or city and county, except in cases where one county, or city and county, has more population than the ratio required for one or more congressmen, but the board may divide any county, or city and county, into as many congressional districts as it may be entitled to by law. Any county, or city and county, containing a population greater than the number required for one congressional district, shall be formed into one or more congressional districts, according to the population thereof, and any residue, after forming such districts, shall be attached by compact adjoining assembly districts, to a contiguous county or counties, and form a congressional district. In dividing a county, or city and county, into congressional districts, no assembly district shall be divided so as to form a part of more than one congressional district, and every such congressional district shall be composed of compact contiguous assembly districts, as nearly equal in population as may be according to said census. The said board shall within said ninety days cause four written or printed copies of such congressional reapportionment, signed by said board or a majority of its members, to be filed in the office of the secretary of state, and the secretary of state shall retain one copy in his office and deliver the other copies as in case of copies of legislative reapportionment above provided for; and all the foregoing provisions as to the application for and issuing and enforcement of a writ or writs of mandamus shall apply to such congressional reapportionment.

If the congress of the United States shall not have reapportioned the members of congress to the several states under such census in time for such congressional reapportionment of this state to be made by said board as herein provided within the ninety days mentioned, the governor shall, when congress shall have determined the number of members of congress assigned to this state under such census, again convene such board by his call, as above specified, at a time to be named in such call, to meet at the capitol of the state, and such board must meet pursuant to such second call, and make complete and full such congressional reapportionment of this state under such census in the manner provided by this section, within thirty days from the time of having been so reassembled by the governor; and all the foregoing provisions of this section, so far as applicable, shall apply to such congressional reapportionment. Each member of said board shall be entitled to the sum of one

SEC. 18. Whenever a deposition or complaint shall be filed in any court other than a superior court, charging a person with a crime and it shall be suggested to the judge, justice or recorder before whom such person is brought that the person charged is under the age of eighteen years said judge, justice or recorder shall immediately suspend all proceedings against such person on said charge and examine into the age of such person, and if, from such examination, it shall appear to the satisfaction of said judge, justice or recorder that such person is under the age above specified, he shall forthwith certify to the juvenile court of his county (a) that said person (naming him) is charged with such crime (briefly stating its nature), (b) that such person appears to be under the age of eighteen years, giving date of birth when known, and (c) the satisfaction of proceedings against such person on such charge by reason of his age, with the date of such suspension, and immediately thereupon all proceedings against the said person on said charge shall be suspended and said court shall assert its powers as hereinafter provided, directing the time and place when said person was ordered to appear with the complaining party or said thereof, and the court so succeeding to its proceedings shall forthwith cause such person to be taken before the juvenile court of the

If no request is made by the defendant for proceedings under this statute, or if the defendant desires a trial by jury, or if the judge declines to consent to the application of the defendant for proceedings under this statute, said cause shall proceed in the ordinary manner up to the verdict of guilty or not guilty as the case may be. If said person is convicted, the court may thereafter receive such evidence as may be offered, touching the question as to whether or not said person should be dealt with as a delinquent in the manner hereinbefore provided in case of the application and consent of the accused before trial, and may make such order of probation or commitment to said state schools, and may from time to time modify said probation orders, as is herein provided in the case of persons adjudged delinquent. If such person during the period of his commitment to said state institution, proves to be incorrigible or not amenable to the discipline of such institution, and it shall be deemed advisable in the judgment of the trustees of such institution that said person be sent to the penitentiary, then said person shall be returned to the superior court in which the verdict was rendered, for sentence, and thereupon the court shall pronounce judgment.

SEC. 21. In the case of a person alleged to be neglected, dependent or delinquent within the meaning of this Act, the juvenile court may, pending the hearing, at any time before the person is adjudged neglected, dependent or delinquent or otherwise disposed of, order that same person be detained in any detention home provided for that purpose by any county or it may be otherwise temporarily provided for as to the court may seem fit in any manner provided herein for the care of a person after the determination of his neglect, dependency or delinquency.

SEC. 22. If the court find a person to be dependent or delinquent, then the court may commit such person to the care and custody of the probation officer and may allow the said person to remain in the home of said person, subject to the visitation of a probation officer, and such person shall report to the probation officer as often as may be required, and be subject to be returned to the court for further proceedings whenever such action may appear necessary or desirable, or the court may commit the person to the care and custody of the probation officer, to be placed in a suitable family home subject to the supervision of said probation officer and the further order of the court; or it may order the probation officer to board out the person in some suitable family home in case provision is made by voluntary contribution or otherwise for the payment of the board of said person until suitable provision may be made for said person in a home without such payment; or the court may commit said person for such time until such person arrives at the age of twenty-one years as to the court may seem fit, to the care and custody of some association, society or corporation that will receive it, embracing within its objects the care of dependent or delinquent children; or the court may commit said person to a state school as hereinbefore provided, or to such other state institution as may be authorized by law to receive it; *provided, further*, that should the legislative body of the county provide a suitable place for the detention of neglected, dependent or delinquent persons which they are hereby authorized and required to do, such dependent or delinquent persons may be committed thereto after the adjudication of neglect, dependency or delinquency for a definite period to be specified in such order, at the end of which time said person shall be brought before the court for further order of court. The court may thereafter set aside, change or modify said order and provide for a further detention in said place. The court shall retain the jurisdiction of any person who is found to be dependent or delinquent until such person attains his majority, or if a girl, until she attains the age of twenty-one years, unless she is married with the consent of the court, or until said court is satisfied that said person has fully reformed and that further direction and supervision under the provisions of this Act are unnecessary for said person's reformation. If a boy under the age of sixteen years, said person may be committed by said court to the Whittier State School or if over the age of sixteen years, the Preston School of Industry at any time during his minority for the period of his minority. If a girl she may be committed to the said Whittier State School at any time before she is twenty-one years of age until she is twenty-one years of age. Such person may be committed to any other institution now or hereafter provided by the state for such persons. Upon the return of said person to the custody of the juvenile court, if said person be accused of felony, it shall be the duty of the judge of said court to sit as a committing magistrate and hold the preliminary examination of such person, and if upon said hearing he shall determine that there is probable cause to believe that the said person has committed the offense charged in the petition theretofore filed in court, he shall hold such person to answer to the superior court, and thereupon the usual proceedings shall be had for the trial of said case in the superior court after the filing of the information in pursuance to said order of said judge sitting as a committing magistrate, and said person shall be tried by court and jury in the usual

manner for the trial of a felony; provided, however, that no person under the age of fourteen years at the time of the commission of the offense with which he is charged shall ever be sent to a penitentiary until he has first been committed to the Wyoming State school or the Preston School of Industry and there remain subject to the jurisdiction or not discharged by the trustees of said school. No person who is under the age of eight years and no one who is suffering from any contagious, infectious or venereal disease which would constitute endangerment to the lives or health of the other inmates of such state schools shall be committed thereto. No person shall be committed to such state schools unless the judge of said court shall be fully satisfied that the parental conditions and surroundings of said person are such as to render it probable that such person will be benefited by the reformatory educational treatment of such schools.

Sec. 23. Any order providing for the custody of a neglected, dependent or delinquent person may provide that the expense of maintaining such person shall be paid by the parent or parents or guardian of such person, and in such case shall state the amount to be so paid, and direct the manner in which the same shall be paid by the parents or guardian, and thereafter may control and change such payments and order the manner thereof. Any disobedience of such order in connection with the property of the person so to them determined shall constitute a contempt of court. It shall be the duty of the probation officer to investigate and report to the court at the first session of the juvenile court term after the date of the order, the circumstances of each case, whether said orders have been obeyed. If in the fourth instance that any parent or guardian of a neglected, dependent or delinquent person is unable to pay the whole expense of maintaining such person, the court may, in the order providing for the custody of such person, direct such reasonable expense or any part thereof to be paid from the county treasury of the county for the support of such person, but before so ordering the court shall require the trustees of said county and the county commissioners of said county to consent to such payment. In case of any one person the sum of twenty dollars per month shall be the limit that can be paid out of the county treasury for the support of any one person, and in no case shall the payment of any one person from the county treasury exceed the aforesaid sum of twenty dollars per month. Before any order is entered by the court directing the payment of money from the county treasury shall be effective for such purpose, unless a copy of such order is presented to the county clerk at least ten days before the first day of the session of the board of county commissioners at which such order is presented for allowance. Such order shall be presented to the board of county commissioners by the county clerk, and the board of county commissioners shall have the power to allow or disallow such order in whole or in part, or to change or modify the same before approving the same. All orders for the payment of money from the county treasury shall be filed by the county clerk and entered of record in the minutes of the board of county commissioners.

Sec. 24. Any order made by the court in case of a neglected, dependent or delinquent person may at any time be changed, modified or set aside as to the court may seem just and proper. Nothing in this Act contained shall be deemed to conflict with the present jurisdiction that the courts have over juvenile offenders, but the same is hereby declared to be cumulative to the present jurisdiction of the courts, and the trustees of the Wyoming State School and the Preston School of Industry, respectively, for the custody and discharge of dependent and delinquent persons committed to the said schools as in case of juvenile offenders, and nothing in this Act contained shall be construed to require that the said schools, upon the petition hereinbefore provided for, or upon the hearing thereof, or upon the commitment of any person to the said schools, upon the hearing of the petition hereinbefore provided for, shall be required to receive any person who is not a resident of the State of Wyoming, or who is not a citizen of the United States, or who is not a resident of the county in which said petition is filed, or who has been convicted of a felony.

Sec. 25. The superintendent of the detention home shall keep a classified list of expenses, and file a duplicate copy with the county board of supervisors. The superintendent, matron or other employee of such detention home may, at any time, be removed by the probation committee, in its discretion.

SEC. 28. Any person who shall commit any act or omit the performance of any duty, which act or omission causes or tends to cause, encourage or contribute to the dependency or delinquency of any person under the age of twenty-one years, as defined by any law of this state, or any person who shall, by any act or omission, threats or commands or persuasion, endeavor to induce any such person, under twenty-one years of age, to do or to perform any act or follow any course of conduct, or to so live as would cause or manifestly tend to cause any such person to become, or to remain a dependent or delinquent person, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding one thousand dollars, or imprisonment in the county jail for not more than one year, or by both such fine and imprisonment, and the superior court, sitting as juvenile court, shall have original jurisdiction of all such misdemeanors.

SEC. 29. This Act shall be liberally construed to the end that its purposes may be carried out, to wit: That the care, custody and discipline of a neglected, dependent or delinquent person as defined in this Act shall approximate as nearly as may be that which should be given by his parents, and in all cases where it can be properly done, the neglected, dependent or delinquent person as defined in this Act shall be placed in an approved family, with people of the same or similar religious belief, and become a member of the family, by legal adoption or otherwise, or if placed in the care of an association, society, corporation, school or institution, then with people of the same or similar religious belief. No neglected, dependent or delinquent person as defined in this Act shall be taken from the custody of his parent or legal guardian, without the consent of such parent or guardian, unless the court shall find such parent or guardian to be incapable of providing, or to have failed or neglected to provide proper maintenance, training and education for said person; and in no case unless the parent or guardian has been duly notified to be present in court before or at the time of placement or commitment or recommitment, or unless said person, if dependent or delinquent has been tried on probation in said custody, and has failed to reform. Each section of this Act shall be construed separately and any decision rendered as to the constitutionality or legality thereof shall not affect any other section of the Act.

SEC. 30. An appeal to the district court of appeal shall lie from any decision and judgment of the juvenile court. The party appealing shall serve on the opposite party and file a notice of such appeal within fifteen days from the day of rendition of the judgment from which the appeal is taken. It is hereby made the duty of the judge of the juvenile court when such an appeal is taken, to find the facts of the case based upon a preponderance of evidence in the form of a special finding, and the appellate court shall pass upon the sufficiency of the evidence to sustain the judgment rendered. In case the party appealing questions the sufficiency of the evidence to warrant the findings made by the court, such evidence shall be incorporated in a bill of exceptions prepared by the appellant within fifteen days after the notice of appeal shall have been served on the opposite party and filed as aforesaid. The opposite party shall within ten days prepare and serve on appellant proposed amendments to such bill of exceptions, which amendment shall be settled by the judge within five days thereafter. Within ten days after the settlement of said bill of exceptions, the appellant shall engross the same and serve a copy on the opposite party and also on the attorney general, and file the original thereof, together with proof of service as herein required endorsed thereon, with the clerk of the juvenile court, who shall immediately transmit the same to the court to which the appeal is taken with his certificate that such bill of exceptions is correctly engrossed. An assignment of error that the decision of the juvenile court is contrary to law shall be sufficient to present both a sufficiency of the facts found to sustain the judgment and a sufficiency of the evidence to justify the findings. Appeals from the juvenile court shall have precedence in the court to which such appeal is taken over all other cases. The prosecution in appeal of such cases shall be governed as to costs and as to all other matters not herein provided for by the statutes governing appeals and criminal causes.
